

Please refer to our school procedure/guidelines for parents/carers wishing to make contact with school.

Wherever possible all initial contact should be made via our school reception either by telephone, email or letter.

However, should you have any concerns regarding your child then please contact Student Services directly either via the email link on our website or telephone

If you have sent correspondence either via email or letter we will acknowledge this immediately and respond within five working days of receipt.

Please avoid contacting teachers directly via email unless instructed to do so.
