■ Remarkable Curriculum ■

Ambition

- The English curriculum is broad and balanced for all learners.
- We explore a diverse range of texts and modes to encourage our students to be ambitious and independent readers.
- We challenge our students to write accurately, fluently and creatively both in fiction and non-fiction contexts.
- We are determined to support students becoming critical consumers of texts as 'conscious constructs'.

Commitment

- We are committed to enabling students to plan, draft, edit and proof-read their own work.
- We prioritise the interleaving of skills throughout key stages to enable students to succeed in the long term.
- We are driven to engender a love of reading through both our rich literary curriculum and our broad range of enrichment opportunities.
- We build on prior knowledge and skills that students have strived to achieve at KS2.

Pride

- We model high quality responses in order to drive aspiration and raise the ceiling.
- We take pride in enabling students to understand the world around them and connect in a meaningful manner.
- We are proud to offer a challenging curriculum with appropriate scaffolding and support strategies for all learners.
- We promote learners to be proud of their reading, writing and spoken communication.
