Dear Parent / Carer

PHYSICAL EDUCATION: DISRUPTION TO NORMAL PROVISION - UPDATE

Further to the letter issued on 9 November 2023, I write to update you on the current situation with regards to the urgent repairs required to the Gymnasium roof. It is anticipated that the work will continue into next week, this being the final week. I will, however, provide an update towards the end of the week to confirm this.

We will continue with changes to the normal provision are outlined below previously:

Years 7, 8 & 10 – also to include Year 9 from Monday 4 December

Core Physical Education lessons will continue during normal timetabled lessons as usual however, students will not be able to change from their school uniforms and into their PE kits on the school site. Students are asked to arrive at school on these days wearing their PE kits. Black or dark blue tracksuit trousers may also be worn along with a JF or black hoodie, which will be permitted as part of the PE kit on these days. Students must register in the Rykniel Hall for all core PE lessons.

Year 11

All timetabled lessons will be classroom based and will focus on supporting preparation for the Core mock examinations. Students will be directed to effective revision tasks that they can complete, which will be provided by the Core Heads of Department.

Year 10 & 11 GCSE SPORT

These will be classroom based and will focus on the delivery of the course theory.

Please do get in touch with us should you have any queries or concerns regarding this issue.

Kind regards

Mr L Porter
Head of Physical Education
