Dear Parent / Carer

## **PHYSICAL EDUCATION: RETURN TO NORMAL PROVISION**

Further to the letter issued on 8 December 2023, I am delighted to inform you that the repair work has been completed so that the changing rooms and Gymnasium will be in use again from Monday 18 December 2023.

We will therefore return to practical Physical Education lessons as timetabled, with all students required attend school in in full school uniform.

May I thank you for your patience with the disruption while these repairs have been carried out.

Kind regards,
