Dear Parents/Carers

GCSE Exam Preparation – The Final Few Weeks

With only seven weeks remaining until the main GCSE examination period begins, we are continuing to work hard to ensure all students have the best support and guidance needed to be successful. We were impressed with students' attitude towards their mock examinations, and we are now busy analysing their results to ensure that we provide the appropriate intervention and support over the next few weeks.

A reminder that students will participate in a mock examination results assembly on **Thursday 21 March 2024**. This will serve as an opportunity for reflection and adjustment of study strategies in the lead up to the final examinations.

Key Dates

Thursday 21 March – Mock Results Assembly

Monday 25 March – Y11 Parents' Evening

w/b 25 March - Individual student examination timetables will be reissued to students.

Monday 8 April – Friday 12 April
Easter Revision Sessions (timetable to follow next week)

A reminder that the Y11 GCSE timetable can be found here: [GCSE Summer timetable 2024](#)

The coming weeks are the most important of your child's education so far. For each student to be as successful as possible, it is vital that the link between school and home remains strong. Therefore, I encourage you to please contact your child's form tutor or Miss Geoghegan, Head of Year 11, should you have a query or need any support.

Yours sincerely

Mrs L Hilton
Head of School
