Dear Parent/Carer

## Year 11 Easter Revision

Alongside our Period 6 intervention offer, we are organising additional revision sessions during the second week of the Easter holidays (Monday 8 April to Friday 12 April). The focus of these sessions will be to support students towards achieving their best possible grade in the forthcoming examinations. This is an ideal opportunity for many of our students to gain more practice in examination technique, bridge any gaps in understanding and will enable them to benefit from extra support to build confidence.

A full list of the sessions are listed overleaf:

Students are encouraged to arrive 10 minutes before each session for learning to start promptly at the given time. Students attending whole day sessions should bring a lunch with them as the school's dining facilities will not be open. Students will need to enter school via main reception where they will be collected by their subject teacher.

We would welcome you indicating your child's attendance at specific sessions by following this link to registration: <https://forms.office.com/e/CcwBupZq0L>

If you have any questions about this, or any other exams related questions, please do not hesitate the school.

Yours sincerely

Mrs L Hilton  
Head of School
