

10 May 2024

Dear Parents/Carers

We hope this letter finds you well. We are thrilled to announce an enriching educational trip to London for our Year 8 students, scheduled for Thursday 6th June 2024. This excursion promises to be an exciting opportunity for our students to expand their horizons and enhance their understanding of career pathways, as part of our school's Personal Development programme.

During this trip, our students will have the privilege of visiting Carmen Hall, a renowned institution that offers valuable insights into transport and logistics career sectors. For more information about Carmen Hall, please visit their website at <https://thecarmen.co.uk/>.

Through school career links, we have also secured a visit to the London Transport Museum, free of charge. Throughout the day, students will take part in a fully supervised 'treasure hunt' around a small part of London where they will get information about famous London landmarks.

This trip aligns with our commitment to providing comprehensive career provision in school, aimed at broadening students' perspectives and equipping them with the skills and knowledge necessary for their future endeavours. As such, we encourage all students to participate in this educational experience.

We would encourage all students to take part in this trip which is brand new for JFCS. We are asking for a small voluntary contribution of £5 per student to aid with transport costs. Payment can be made conveniently through ParentPay. Please ensure that payments are submitted no later than 20th May to secure your child's place. If your child receives free school meals, then a packed lunch will be provided. Your child will not need any more money with them for the day, but may wish to bring a small amount of spending money (maximum £15) to spend in gift shops should we have the time.

Due to the long journey, students will need to arrive at school for 7:15am in full school uniform, students should wear appropriate footwear for walking (trainers are permitted). Students may wish to bring a coat or a hat and sun cream in the event of warm weather. We will be departing London at 4pm and therefore will not arrive back at school until 7pm. We will keep you updated during our journey as this arrival time is subject to change according to traffic.

Should you have any questions, concerns, or require further assistance, please do not hesitate to contact either Mrs. H Bradley or Mrs. E Best.

At JFCS, we are committed to enriching our students' education and providing them with invaluable opportunities across various sectors. We believe that experiences like these contribute significantly to their personal and academic growth.

Thank you for your continued support and cooperation in making this trip a success. We look forward to embarking on this exciting journey with your child.

Kind regards

H Bradley

Mrs H Bradley
Head of Personal Development
