Dear Parent/Carer

## Year 11 Easter Revision

Alongside our after-school revision offer, we are organising additional revision sessions during the second week of the Easter holidays (Monday 14 April to Thursday 17 April). The focus of these sessions will be to support students towards achieving their best possible grade in the forthcoming examinations. This is an ideal opportunity for many of our students to gain more practice in examination technique, bridge any gaps in understanding and will enable them to benefit from extra support to build confidence.

A full list of the sessions is listed overleaf:

Students are encouraged to arrive at main reception 10 minutes before each session for learning to start promptly at the given time.

Confirmation of your child's attendance at specific sessions can be made by following this link:

If you have any questions about Easter school, or any other exam related questions, please do not hesitate in contacting us.

Yours sincerely

Mrs L Hilton  
Head of School
