Dear Parents and Carers

## The Big Ask 3.0

Last term, we conducted our third annual survey to ensure that we are continuing to reflect on students' ideas and thoughts concerning what is working well in our school and where improvements needed to be made.

Following last year's survey, the students were able to drive some changes in the school and a year down the line, we wanted to give the students the opportunity to consider what is going well (or indeed for Year 7s what they like about joining us!) and to hear where students would now like further improvements.

This week, Mrs Hilton has been feeding back to Year 7-10 students in assembly and we'd like to share a recorded message with parents/carers so you can get a feel for what students told us and how we are responding.

You can find the video here: <https://youtu.be/i4mUA4JnFsU>

We are committed to acting on this feedback and we will continue to keep you informed as this work develops. In the meantime, if you have any questions or would like to discuss the survey findings further, please do not hesitate to contact us.

Thank you for your continued support
