

12 March 2026

Dear Parent/Carer

Year 11 Easter Revision

Alongside our after-school revision offer, we are organising additional revision sessions during the Easter holidays. The focus of these sessions will be to support students towards achieving their best possible grade in the forthcoming examinations. This is an ideal opportunity for many of our students to gain more practice in examination technique, bridge any gaps in understanding and will enable them to benefit from extra support to build confidence.

A full list of the sessions is listed overleaf:

There will be limited access to the site due to site works so please drop your child off on the main road and they will be greeted by their teacher at main reception. Students are encouraged to arrive 10 minutes before each session for learning to start promptly at the given time. Please note the school's dining facilities will not be open over Easter.

We would welcome you indicating your child's attendance at specific sessions by following this link to registration: [JFCS Easter Revision Sessions 2026- Attendance – Fill in form](#) Please indicate your child's planned attendance by **Monday 23 March**.

If you have any questions about this, or any other exams related questions, please do not hesitate the school.

Yours sincerely

Mrs L Hilton
Head of School
