Dear parents and carers,

I'm delighted to be able to share some exciting news with you about our new build at John Flamsteed! A much long-awaited project, which has sat on the horizon for many years, is finally reaching planning stage! Over the last few months, we have been working closely with the Department for Education, the Technical Advisory team and the Construction team at Tilbury Douglas and plans for the building are certainly taking shape. It is clear that this partial new build will have an extremely positive influence on the children and staff within our school community.

Tilbury Douglas have asked me to share this consultation leaflet with you all to advertise the consultation event, which will be held at the school from 3:30pm-7pm on Monday 8th June. I understand it will be a drop-in event where all parents/carers, students, staff and members of the community can call in to meet the team and to learn more about the proposals. You are all very welcome to drop by.

With my best wishes,
