

11 May 2026

Dear Parents, Carers and Students,

YEAR 9 SCHEDULED EXAMINATION WEEK

It is usual practice for us to have a week of examinations scheduled during the summer term for all students in Years 7, 8 and 9. For Year 9 this is due to be carried out from Monday 1 June. Due to the nature of the school timetable there are a small number of examinations in the following week to accommodate those subjects where lessons are not held the previous week. Class teachers will be issuing an examination for students to complete during one of their usual timetabled lessons.

These examination weeks are vital to ensuring our students are able to prepare themselves for their final examinations they will experience in Year 11, giving them an opportunity to practise their revision techniques, as well as plan when to carry out revision during an intense examination period. All students will be given comprehensive guidance by their Head of Year as to how to revise, and all class teachers will provide clear guidance as to which topics to revise and where to access revision resources.

Please see attached for the examination timetable and a summary of the examination content for each subject.

I hope that you find this information useful but please do feel you can contact us should you have any concerns or queries regarding this examination week.

With my very best wishes,

Mrs T Stockley
Deputy Headteacher
