

GCSE POST-RESULTS SERVICES: DEADLINES, FEES AND CHARGES

Summer 2026

If you have any concerns about your examination results, please speak to Mrs Stockley stockleyt@jfcs.org.uk to discuss all available options open to you.

Requests for review of results and access to scripts will be considered initially by the Head of Department. They may wish to request access to scripts to determine if a review of marking is worthwhile for you.

If the Head of Department is in agreement that a review of marking is potentially viable then the school will process this and will cover the fees associated with this request.

Should the Head of Department not be in agreement that a review of marking is viable then the school will not process this request unless you are willing to pay the fees associated with this (please see table for fees and deadlines below). You will need to make payment on ParentPay for this prior to the request being processed. If the grade changes following a review of marking, then the fee will be refunded for that subject.

The post-results services available to you are:

Review of Results (RoR): Clerical re-check; Review of Marking

Access to Scripts (ATS): Access to marked examination scripts

Please note that the fees stated below are per paper NOT per subject.
